REIKI the PEOPLE will seek guidance from the LADO when considering a suspension.

### **Further action**

#### **Supporting those involved**

Parents or carers of any child involved will be told about allegations as soon as possible, after discussion with the LADO as to the most appropriate way this should be done and by whom. In cases where a child has been injured whilst in REIKI the PEOPLE's care, the parents will be informed immediately.

#### **Confidentiality**

Every effort will be made to maintain confidentiality and guard against publicity.

#### **Record keeping**

REIKI the PEOPLE will keep details of any allegations made and how the allegation was followed up and resolved. These records will be kept until the person reaches normal retirement age, or 10 years if that is longer, including for people who leave our organisation. A copy will be given to the person. The purpose of the record will be to enable accurate information to be given in response to any future request for a reference and to provide clarification for future CRB disclosures.

### **Outcomes**

If after initial consideration between the Senior Designated Manager and the LADO it is clear that police or social care investigations are not necessary; the club will be guided by the LADO as to most appropriate action. The nature and circumstances of the allegation and evidence will determine the next course of action.

If the nature of the allegation does not require formal disciplinary action, appropriate action will be instituted within 3 working days.

If a disciplinary hearing is required and can be held without any further investigation, the hearing will be held within 15 working days and subsequent procedures, as outlined in the Grievance and Disciplinary Procedures will be followed.

If, on conclusion of the case, it is decided that the person can return to work, the Management Committee will consider how best to facilitate the return and provide relevant support to the staff member and consider how to best manage the person's contact with the child who made the allegation.

The parents/carers of the child will be kept fully informed of any decisions/action taken by the Management Committee.

### **Resignations and 'Compromise Agreement'**

If an employee resigns or ceases to work for REIKI the PEOPLE, any allegation must still be followed up in accordance with these procedures. 'Compromise agreements' in which a person agrees to resign and the employer agrees not to pursue disciplinary action will **not** be used in these situations.

### **Staff references for future employment**

Any staff references will state where an allegation has been made against the employee and will clearly state if the allegation was found to be false or unproven.

### **Referral to DfES List 99 or Protection of Children Act**

If an allegation is substantiated and the employee is dismissed or resigns, the

Senior Designated Manager will discuss with the LADO whether and how a referral should be made to the Protection of Children Act (POCA) List or the DfES list 99.

### **Reviewing practice**

At the conclusion of any case, whether the allegation is substantiated or not,

REIKI the PEOPLE will review its procedures and practice to help prevent similar events in the future.
